Re: Tenaga Bill Account

Dear Owner,

I am Jivan Ramsamy, from Penang. I am writing this letter because I have lost the contact of the person I sold this house to, in the year 2008/9.

I was surprised to find out that the Tenaga Bill (2204874532XX) for this house is still under my name. Please do the necessary to register / transfer ownership by end of this month's billing cycle.

If necessary, please call or WhatsApp me on the below number. Thank you.

Jivan Ramsamy
